

## International Society for Environmental Epidemiology Emeritus Membership

The ISEE offers a reduced membership rate for emeritus members. Please complete and submit the following short form, so we can document that you qualify for the emeritus membership rate.

Name:

Emeritus rate qualification criteria:

- Current or former member of the ISEE for at least five years.
- Retired from the academic or professional practice of environmental epidemiology or related profession (other than doing occasional teaching or similar professional activities).
- Not regularly engaged in any paid work or paid professional activity, such as consulting, teaching or research more than 16 hours per week.

Do you meet ALL of the qualification criteria for the emeritus membership rate?  
(check one)

YES

NO

If you answered NO and still wish to be considered for the emeritus membership rate, please provide an explanation, so we can determine whether you could qualify for the emeritus membership rate:
