

CYPRUS UNIVERSITY OF TECHNOLOGY
ANNOUNCEMENT OF ACADEMIC POSITION

Applications are invited from candidates who possess the necessary qualifications in order to fill the following vacant position:

- **One (1) position in the rank of Professor or Associate Professor in the field of Public or Environmental Health**

The successful candidate will be appointed Professor or Associate Professor in the Department of Nursing at the School of Health Sciences with secondment to the Cyprus International Institute for Environmental and Public Health (hereafter, “the Institute”), where he/she will be also appointed Director of the Institute. This position is expected to be transferred to the new Department of Public and Environmental Health, provided that this is established.

The Institute operates within the Cyprus University of Technology since 2009. It offers postgraduate programs at the Master and Doctorate levels and carries out cutting edge research in the field of environmental and public health in areas of particular significance to Cyprus and the broader geographical region. The Institute aspires to become a center of excellence, in the areas of its specialization with international recognition.

The successful candidate, who will be also appointed as Director of the Institute, is expected to play a key role in the further development and the future prospects of the Institute. The Cyprus University of Technology wishes to appoint to this position a dynamic scientist with proven ability in carrying out high quality research, in developing graduate programs, and administration, in order to provide leadership for the further development of the Institute and for creating cooperative links with other institutes and research centers in the region.

Applicants for all academic positions should have a doctorate degree from a recognized university. The Cyprus University of Technology reserves the right to request recognition of the doctorate degree from the Cyprus Council for the Recognition of Higher Education Qualifications (K.Y.S.A.T.S). The minimum qualifications that are required for each academic position, including publications and academic experience, are detailed on the University’s webpage: <http://www.cut.ac.cy/university/jobs/academic/qualifications>. These qualifications are based on the candidate’s years of academic experience, his/her research and scientific contribution, as well as his/her experience in the organization of high-quality academic programs.

In addition, candidates should have:

- Internationally recognized scientific work in the field of Public or Environmental Health.
- Proven management skills in relation to scientific institutes, research centers or other academic units.
- Proven experience in developing and coordinating postgraduate programs.
- Proven ability in attracting external funding for research or other academic activities.
- Fluency in English.

The annual gross salary for each position (including the 13th salary) according to the Law is:

Professor	(Scale A15 – A16)	€70.106 - €91.128
Associate Professor	(Scale A14 – A15)	€61.830 - €84.295

Citizenship of the Republic of Cyprus is not a requirement. In case the selected candidate does not have sufficient knowledge of the Greek language, it is the candidate’s and the Department’s responsibility to ensure that the selected academic acquires sufficient knowledge of the Greek language within 3 years of appointment. The Department sets its own criteria for the required level of adequacy of knowledge of the Greek language. It is expected that the successful candidate will be available by 1 September 2017, unless otherwise agreed.

The applicants **must submit** the following:

(I) Hard Copy

1. A letter in which candidates should state the Department, the rank, the specialization in which they are interested in, as well as the date on which they can undertake responsibilities in case they are elected (2 copies)
2. Curriculum vitae (2 copies)
3. A note on who they are and how they will organize and run the Institute (2 copies)
4. A short review of their research interests as well as a brief description of their future research plans up to 1500 words (2 copies)
5. List of publications (2 copies)
6. Reprints of their three most representative publications (2 copies)
7. Copies of the candidate's degree certificates (2 copies)
8. Contact details (2 copies)
9. Names and contact details of at least three university Professors (2 copies)

(II) In a CD ROM Disc (CD-R or DVD) as separate PDF files (PORTABLE DOCUMENT FILES – the title of the files should be in Latin characters, must not include symbols, and should not be long) for each of the items above submitted in hard copy.

Candidates should request confidential letters of reference (in English) from at least three university Professors. The letters must be sent by the referees directly to the Cyprus University of Technology, Human Resource Department and must be received by the application deadline. The names and addresses of the referees should be submitted together with the application, because the University may request additional confidential information. The University may also request reference letters from independent referees if this is considered necessary by the Special Committee. Applications, documents as well as reference letters that were submitted for previous announcements will not be taken into consideration and must be resubmitted.

Applications must be submitted in a closed envelope with a clear reference to the specialization of the position, **at the premises of the Cyprus University of Technology**, Human Resource Department, Limassol Savings Co-operative Bank Building, 4th Floor, Arch. Kyprianos 31, 3036 Limassol **or must be sent via registered post** (P.O. Box 50329, CY-3603 Limassol) **postmarked not later than Wednesday, 22 March 2017, 2:00 p.m. which is the deadline for the submission of the applications**. For further information you may visit the University's website at www.cut.ac.cy or contact Elena Tyllirou by e-mail elena.tyllirou@cut.ac.cy or by phone at + 357 25002466.

It is noted that:

- The University adopts an equal opportunity policy at recruitment and the subsequent career stages and encourages both genders to submit an application for all levels of Academic and Administrative Staff.
- The University does not discriminate in any way on the basis of gender, religion or belief, ethnic, national or social origin, age, physical ability, marital status and sexual orientation.
